

Walnut Hills Campground

Golf car policy and agreement

Revised September 2018

Although we permit private golf cars at our campground at no additional cost, we require their operators to be mindful of the large number of children, bicyclists, dog walkers and ducks with which they must share our narrow roads. Golf cars are not toys, and as potentially dangerous machines must be operated according to the rules of the road that apply to other motorized vehicles. Operators must observe the 10 mph speed limit; must drive on roads and not on lawns or sidewalks, and may not cut through other sites, whether occupied or vacant; and must exercise due care at all times, yielding the right-of-way to all other vehicles and pedestrians.

We do **not** permit operation of motorized scooters or ATVs at the campground.

GOLF CAR USAGE:

1. Operator must possess a valid driver's license. Under no circumstances are children allowed to operate a golf car.
2. *Golf cars must be registered with the front office and display a campground pass on the windshield at all times.* Passes must be returned at check-out.
3. Owners must provide insurance information to the campground office, which will keep the information on file. Campers operating golf cars are **not** covered under the campground's Commercial General Liability Policy.
4. Golf cars without operational headlights may not be operated at night or under poor light conditions.
5. Manufacturer's seating capacity must be followed. Generally, that means a maximum of four persons unless the golf car has a third seat.
6. Keys to golf car **must** be removed when not in use.

By signing this agreement, you acknowledge that you have read the rules and guidelines above and agree to abide by them; that you understand that failure to follow these rules and guidelines may result in revocation of permission to use a golf car or motorized scooter at our campground; and that you will hold Walnut Hills Campground, its owners and its employees harmless for any and all claims arising from your failure to abide by these policies.

Check one: ☐ I **do** have liability insurance for my golf car and have provided a copy of the policy.

☐ I **do not** have liability insurance for my golf car, but agree that I will bear full financial responsibility for any harm or damage caused by my golf car.
